Tutoring Services

Library Room 4228

Information for Faculty

Tutoring Services provides free one-on-one academic support for students currently enrolled at Shoreline CC. Shoreline CC's faculty play a key role in helping Tutoring Services assist students each year. Below you will find several ways to inform your students about our services as well as a way to refer students to us to become tutors.

Faculty can help students access Tutoring Services by…

Posting Information

We have a short summary of our services that faculty can use, either in their course syllabi or in their Canvas shell.

Scheduling a Classroom Visit

Invite Tutoring Services into your classroom for a brief, 10-15 minute presentation about our services. Staff will talk to your students about all of the tutoring options available at Shoreline CC and answer questions. You can sign up for a class visit on this sheet.

Bringing Your Class to Tutoring Services

We always welcome class visits to the Tutoring Center in Library Room 4228. To schedule a visit, email Tess Griswold at tgriswold@shoreline.edu.

Recruiting Tutors

We are always looking for strong students to work as tutors in a variety of subjects. If you have had a student in your class who you think would be a good candidate for a tutoring position, please let us know! We accept applications all year long, and highly value faculty recommendations.
